Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Contact Division
 AFM : Support Branch
 FROM : Chief, New York Office

DATE: 31 August 1962

SUBJECT: ⁰⁶ [Robert Pratchett] Cuban Counterrevolutionary Group, Alpha-66

1. We came in contact with a new source who will be a continuing one, known as [Robert A. Pratchett], a US citizen with 27 years experience in Cuba who is currently in direct contact with a Cuban counterrevolutionary group in the US known as Alpha-66, and who is also in contact with anti-Castro Cubans working in Havana. He will give us more detailed information during the coming weeks, and represent to us the ambitions, operations and proposed sabotage activities of Alpha-66 so that they can either be controlled, encouraged or discouraged, as the case may be from the viewpoint of those interested in Cuban action groups.

2. Bio data on Pratchett, for any prior clearance or interest in him, based on what he may present to us for consideration, is as follows:

Date & Place of Birth - ⁰⁸ [31 Oct 1918,] Havana, Cuba (US citizen by birth)

Education - ⁰⁸ [University of Pennsylvania, 1940]

Employment - 1961 - Present ⁰⁸ [H. H. Pike Co., New York and Havana
 1958 - 1960 [Brando and Co., Havana
 1946 - 1958 [Paramount Pictures International, Havana
 1941 - 1945 [US Army (Rank of Major)]

Present Address - ⁰⁸ [35 Walton Ave., New Providence, New Jersey]

3. Pratchett, who appears to be a mature and loyal US citizen, is interested in being of the best possible service to the US Government in a non-pay status, in assisting where he can in terms of his detailed knowledge of Cubans, Cuba, and the Spanish language, which he speaks perfectly. Other than observing the plans of the Alpha-66 group as a potentially successful sabotage group, he is not affiliated with any counterrevolutionary group, but is now in business for himself as a ⁰⁸ private investor in a firm he owns and operates, called [PREFIX Business Forms Inc., 60 East 42nd St., New York. He indicated that Alpha-66 plans were to blow all the power plants in Cuba.
